Lago

August 9, 1971

## SPECIAL

This month marks one of the most important events in the history of Lago and Aruba. On Friday, August 20, 1971, the Company's multi-million dollar Hydrodesulfurization Complex will be officially put into operation.

In order to give all Lago employees and their family members an opportunity to visit the new plant before its inauguration, Lago Management extends a personal invitation to them to attend an open house this week Saturday, August 14, 1971.

This personal invitation for an inaugural tour of the facilities has been sent to all employees through their departments. After the tour, refreshments and snacks will be served at the Esso Club.

Each employee will also receive an I.B.M. card to collect a souvenir at the Administration Building, commemorating the inauguration of the Hydrodesulfurization Complex.

To handle the large number of guests more conveniently, the tours have been scheduled every hour starting at 10:00 a.m. at the Administration Building (presently Seroe Colorado School) as follows:

Tour 1 at 10:00 a.m.  
Tour 2 at 11:00 a.m.  
Tour 3 at 1:00 p.m.  
Tour 4 at 2:00 p.m.  
Tour 5 at 3:00 p.m.  
Tour 6 at 4:00 p.m.  
Tour 7 at 5:00 p.m.

In view of the large number of guests we anticipate will honor us with their presence on this day, we would appreciate it if each employee fills out the bottom part of this Diario, advising us which tour he prefers to take and how many persons will be participating. This coupon should be deposited not later than 4:00 p.m. on Wednesday, August 11, 1971 in boxes placed at the following locations:

Hospital  
G.O.B.  
Laboratory  
Refining Division Office

Oil Movements Office  
Main Gate  
Acid Plant Gate

Lago Management looks forward to welcoming each and every employee and their family members on this special occasion.
